ELECTRIC PERFORMANCE. ZERO EMISSIONS

Equipped for every day in the city, Proace City Electric is built upon a battery-electric, zero-emissions powertrain. The Proace City range provides boundless versatility, while the new BEV model offers even greater efficiency too. This is your unbeatable urban business tool, created for every demand and schedule. Drive in supreme comfort all day long with refined interior quietness and an extensive range of up to 275 km. Revel in the outstanding drive of a powerful electric motor – no matter how many stops your workday requires. Inside, seamless BEV features effortlessly keep track of battery capacity and consumption, allowing you to focus on the job ahead.

5 KEY REASONS TO BUY ELECTRIC

LOW RUNNING COSTS

Enjoy generous savings on fuel, tax and maintenance costs. Proace City Electric provides business efficiency with every turn.

ZERO EMISSIONS

Take on city driving with a silent and worry-free zero-emission powertrain, outstanding engine power and discounted parking opportunities.

RANGE UP TO 275 KM*

With Proace City Electric's impressive range, no job is too far away.

RAPID CHARGING

Stay on top of every journey. Public rapid charging allows you to charge the battery to 80% in 30 minutes.

NO COMPROMISE ON CARGO

Impressive 700 kg payload, and 750 kg towing capacity.

* Based on WLTP calculations.

Model shown is Electric Panel Van short wheel base.

Clear multimedia display helps you keep track of driving range so you can make every journey with confidence.

DRIVING ELECTRIC MADE EASY

THE JOB OF THE BATTERY

Proace City Electric's battery powers a motor which turns the wheels. Minimise energy waste by switching off while stationary and regenerating under braking. When low or empty, simply recharge using a wall socket or dedicated unit.

A CHOICE OF THREE DRIVING MODES

Proace City Electric is equipped with a unique Drive Mode Switch. Its three modes allow you to optimise the powertrain's performance to your circumstances: Power for faster acceleration, Normal for everyday use, and Eco for the greatest driving range.

With a 275 km range*, Proace City Electric makes doing business in urban areas easy. The electric powertrain effortlessly saves on your company's running costs and carbon footprint – leaving zero emissions behind. Proace City Electric handles demanding stop-start city driving with brilliant efficiency, conserving battery power as you go. Enjoy instant maximum torque, thanks to the silent and seamless acceleration of the powerful motor with a range of driving modes. Enjoy driving from one job to another in exceptional peace and quiet.

* Driving range may vary based on driving style, external temperature and other factors.

IT'S EASY TO RECHARGE

With Proace City Electric, zero-emissions driving has never been so easy – especially when you can recover 80% charge in as little as 30 minutes. Replenish the battery via a home socket, through a wall box or fast charging on the go. Proace City Electric ensures you're always on the move, conveying you wherever you need to go with its 50 kWh battery. When plugged in, a status indicator on the charging lid displays your battery charging status, providing ample power for even your busiest workdays.

CLEAR CHARGING STATUS
Located inside the Proace City Electric's charging lid, the battery status indicator light provides an easy way of checking charging status.

- STANDBY

- CHARGING
- ERROR

WALL BOX, CONNECTED
The Connected Ready Wall Box is a smart charging solution for home and semi-public applications. Featuring LAN, WiFi and optional LTE, its translucent cover displays backlit colour pictograms to indicate the charging status.

CHARGING THE BATTERY

RAPID CHARGING
Plugged into a rapid charger, accessible to the public, the 50 kWh battery is 80% charged in 0.5 hours*.

WALL BOX
Plugged into a fast, reliable, dedicated home/office wall box, the battery is fully charged in 5–7.5 hours*.

DOMESTIC HOME SOCKET
Plugged into a domestic socket, just like a mobile phone, the battery is fully charged in 15–31 hours*.

* Charging times subject to local circumstances.

Keep available charging locations within view using the intelligent touchscreen. Add waypoints and receive instant notifications when battery is low.

Innovative combi-meter keeps key information in your eyeline whilst driving.

BATTERY CHARGING AND THERMAL PRE-HEATING PROGRAMMES
Ensure your van's ready for you, by managing your preferred charging times and warming the cabin before the day begins.

BATTERY USAGE DISPLAY
Refine your driving style, with a visual guide to how much battery energy is being used and recovered on journeys.

CONNECT, CONTROL AND STAY INFORMED

Staying connected and in control is never more important than when you're at work. Proace City Electric's unique range of BEV features delivers key information at a glance – without diverting your attention from the road. From consumption to battery capacity, a driver's combi-meter and intuitive TFT screen display keeps you in the loop. A charging station locator and Autonomy range checker keep you updated through the intelligent navigation system. Proace City Electric has all the features you need to accomplish every job.

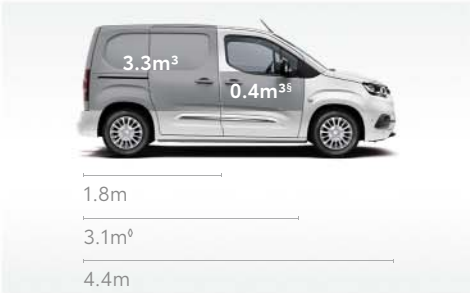

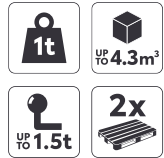

Ready to adapt to all business needs with a variety of rear door options available.

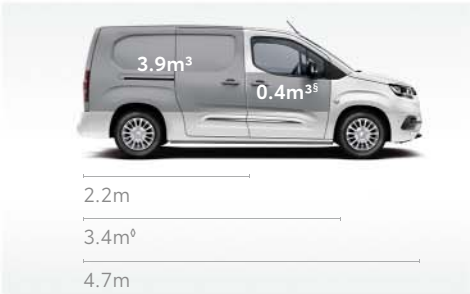

Model shown is Comfort short wheelbase.

THE COMPACT VAN THAT THINKS BIG

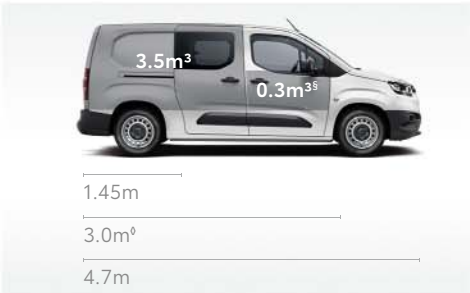

Far more than just functional, the new Proace City is designed to meet all of your business needs. With a payload capacity of up to 1 tonne*, it delivers best-in-class loading volume, with ample space for a variety of trade equipment. Whether providing space for collections or moving weight, a towing capacity of up to 1.5 tonnes* offers plenty of adaptability for you to get the job done conveniently. Long and short wheelbase can accommodate two Euro pallets**. Available in three different body styles, there is a Proace City to suit every working requirement.

PANEL & GLASS VAN
Short wheelbase offers up to 3.1m load length and up to 3.7m³ volume.

PANEL & GLASS VAN
Long wheelbase increases that to up to 3.4m load length and up to 4.3m³ volume.

CREW CAB
Swap swiftly between passenger capacity and load volume with the sliding bulkhead and fold-down 2nd row bench.

* Electric powertrain: 700 kg payload & 500 kg towing capacity.
 ‡ Additional capacity with Smart Cargo.
 ° With Smart Cargo.
 ** Euro pallet size: 1.2 x 0.8 x 0.144m.

SIMPLY PRACTICAL

Designed and built for practicality, Proace City cleverly uses space to make each job easier and more convenient. Securely store tools, laptops and anything else you need for the working day. With a compact size and clever design, the Proace City quickly adapts to urban environments. It's also equipped with a 12V power outlet inside the load area for charging wherever and whenever is necessary. Fully accessible, your cargo area comes with a choice of rear swinging doors or lifting tailgate, while side-opening doors can also be fitted on either or both sides.

LOAD-SECURING HOOKS
Secure the cargo and reduce the risk of damage when in transit.

Designed for convenience with easy-access sliding side doors, perfect for tight spaces.

Model shown is Comfort short wheelbase.

Smart Cargo hatch in bulkhead lets you easily increase volume by 0.4m³ and load length by 1.3m.

Model shown is Comfort short wheelbase.

EXTRA SPACE WHEN YOU NEED IT

3 FRONT SEATS

The flat floor and bench seat provide seating for three in comfort.

MOBILE OFFICE

The integrated table on the folding central seat can be angled towards either passenger or driver.

OVERHEAD STORAGE

Clever solutions maximise the space with overhead storage.

Flexibility gives any business a great advantage. The Proace City offers supreme capability with a range of interiors to suit every trade and every request. The Smart Cargo System creates additional load length and carrying capacity, thanks to an ingenious hatch stored in the bulkhead. A conveniently folding middle front seat creates a useful work surface, ideal for laptops and tablets, whilst under-seat storage accommodates all of your work essentials – with the added privacy of being kept out of sight.

SPACE FOR EVERYONE AND EVERYTHING

Proace City Crew Cab offers a spacious ride for every passenger. Brilliantly versatile, this van has the capacity to hold five passengers as well as cargo; the long wheelbase means it has never been more comfortable to accommodate at maximum capacity. Simply fold the rear bench seat, slide the flexible metal bulkhead forward and the cargo volume doubles. For even greater volume, fold the front passenger seat flat and open the Smart Cargo hatch to access the maximum load length. Proace City Crew Cab provides ample space, whatever your cargo may be.

REAR SEATS

Space for everyone. With 3 rear seats at the back, the Crew Cab seats up to 5 people. Providing great modularity and still tons of space for any type of cargo.

FOLDED REAR SEAT

Flat-folding second row seats and the easy sliding mesh bulkhead combine to provide enlarged cargo space.

OPENING BULKHEAD

Combine the 2/3rd-1/3rd folding rear seat with the load-through opening in the bulkhead to transport long-length cargo.

Clever seating solutions to safely and securely accommodate long loads of up to 3.0m.

Model shown is Base long wheelbase Crew Cab.

A COCKPIT ORGANISED TO WORK FOR YOU

A unique fusion of business and pleasure. Wherever your work takes you, seamlessly integrated, hands-free technology makes the entire journey a pleasure. The intuitive cockpit design keeps everything organised, while handy storage solutions and innovative tech help you focus on getting to where you need to be. Besides making city driving simple, the electronic parking brake offers enhanced legroom for everyone with added underfloor storage. There's also multimedia connectivity options for Apple CarPlay and Android Auto™ and voice activated E-call. Stay in touch while on the move, wherever the job takes you.

PRO TOUCH

Complete with 3D navigation and Toyota Connected Services, featuring real-time traffic, TomTom places, local weather, car parks, petrol stations and points of interest.

TOYOTA CONNECT (APPLE CARPLAY AND ANDROID AUTO™)

Plug in, and Toyota Connect will mirror your smartphone. Music and phoning are now even simpler.

E-CALL

Connect with emergency services if the vehicle is involved in a serious accident.

Apple CarPlay is a trademark of Apple Inc.

Keep all of your essentials in close reach with generous 5.9-litre front door storage.

Model shown is Comfort long wheelbase.

Model shown is Electric Comfort short wheelbase.

**TOYOTA TRACTION SELECT**

Toyota Traction Select with Hill-start Assist Control (HAC), gives you the confidence to tackle difficult terrain. Turn the rotary dial and choose between Normal, Snow, Sand and All-Terrain.

THE POWERTRAIN YOUR BUSINESS NEEDS

With a line-up featuring a zero-emission electric powertrain alongside petrol and diesel engines, the Proace City range delivers outstanding drivability. Available with a 50 kWh battery, Proace City Electric delivers the zero-emission solution to suit your needs. With a driving range of up to 275 km and payload up to 0.7T, you can enjoy superior performance and capability.

Knowing every business is unique and that choice is important, Toyota also offer advanced petrol and diesel powertrains producing between 75 and 130 DIN hp and a choice of five- or six-speed manual and eight-speed automatic transmissions. With best-in-class CO₂ emissions and outstanding fuel economy, Proace City has the powertrain to perfectly match your business needs.

* Combined cycle.

M/T = Manual transmission

A/T = Automatic transmission

COMPLETE PROTECTION FOR EVERY JOURNEY

Wherever you're working, safety is crucial. Knowing that every journey you make has an active range of safety systems in place is important for you, your company and your customers. At Toyota, we see safety as an uncompromising standard, which is why the Proace City comes with a choice of three safety packs, each specifically designed to suit your business needs. With Proace City, your business is always in safe hands.

* Technical name: Pre-Crash Safety System. Combi models only.

THREE TOYOTA SAFETY SENSE PACKAGES TO CHOOSE FROM

- 1

Pre-Collision System
Driver Attention Alert
Lane Departure Alert with Steering Control
Cruise Control with Adjustable Speed Limiter
- 2

Includes all elements from Pack 1 plus:
Extended Road Sign Assist
Automatic High Beam
Trailer Sway Control
- 3

Includes all elements from Pack 2 plus:
Adaptive Cruise Control
Blind Spot Monitor

NO MORE BLIND SPOTS

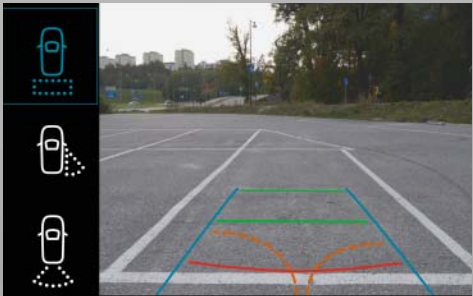

LONG-DISTANCE REAR-VIEW CAMERA

The rear-mounted camera provides a clear view of your surroundings when driving.

PASSENGER SIDE BLIND SPOT VIEW WHEN DRIVING OR REVERSING

A camera on the passenger side mirror provides an extended view that enhances visibility when driving or reversing.

SHORT DISTANCE REAR-VIEW CAMERA

The rear-mounted camera provides a short distance view immediately behind the vehicle to facilitate safe parking.

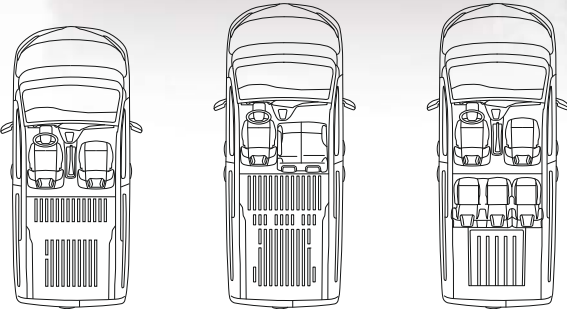

Using two dedicated cameras, Smart Active Vision relays clear images of the vehicle in real time and keep your vehicle's rear view and blind spots constantly monitored, with a clear picture displayed on the 5" screen.

ACCESSORIES

Toyota accessories give you choices for customising your Proace City. There are options for transport, protection and security to suit a wide range of business needs.

ROOF RACK BARS

The easy-to-fit lockable bars form a base for carrying items such as bicycles or luggage and ski boxes.

ROOF PLATFORM, ALUMINIUM AND STEEL

The high quality construction of the aluminium and steel roof platform provides strength and a long-lasting durability for carrying many different types of load.

FLANGED TOWING HITCH

Designed for regular towing. It features a flanged assembly to dissipate towing stresses. Both a pintle hook with ball and a high strength ball coupling are offered.

SECURITY WINDOW PANEL

The steel security mesh provides an additional layer of anti-theft protection for your cargo. It is custom-shaped to fit inside the windows.

RUBBER MATS

The rubber mats are designed to minimise water, mud and stones spraying onto your car's body.

CENTRE CONSOLE

The centre console provides additional storage for keeping possessions close to hand.

SEAT COVERS

The seat covers are specifically designed to maintain the seats of your new vehicle in a good condition. They are comfortable and resistant, they effectively protect the original fabric and ensure the proper functioning of the side airbags.

For the full range of accessories, please visit the Toyota retailer website.

TO HELP YOU CHARGE

The most convenient way to charge your Toyota BEV at your home is by using a Toyota Wall Box. The products in our Wall Box range perfectly fit with Toyota vehicles and enable safe charging which goes faster than using a regular domestic socket. All the Toyota Wall Boxes support charging up to 22 kW and up to 3-phase, making sure to support your needs not just today, but well into the future.

CHARGING CABLE

When charging on the go, use this cable (available in 5m, 7.5m or 10m lengths) to connect your vehicle to a public charging station.

TOYOTA ENTRY WALL BOX

The Toyota Entry Wall Box is the smallest wall box of its kind and it's ideal for both home and semi-public applications. This wall box comes with already integrated charging cable and Type 2 connector, ensuring a hassle free usage.

WALL BOX, CONNECTED

The Connected Ready Wall Box is a smart charging solution for home and semi-public applications. Featuring LAN, WiFi and optional LTE, its translucent cover displays backlit colour pictograms to indicate the charging status.

CABLE STORAGE BAG

This practical storage bag keeps your charging cable in good condition and prevents it from getting tangled or cluttering your luggage space.

SECURITY DOOR LOCKS

The exterior door lock is designed to fortify the security of commercial vehicles, in particular, those carrying goods and equipment.

The ArmaDLock offers a robust aluminium lock structure and uses a hasp locking system.

The Mul-T-Lock blends in with the vehicle's exterior and uses a patented 3-way lock.

INTERIOR PANELS AND FLOOR

1. Varnished wood

2. High-quality plastic

For the full range of accessories, please visit the Toyota retailer website.

The fuel consumption and CO₂ values are measured in a controlled environment on a representative production model, in accordance with the requirements of the new WLTP European Regulation EC 2017/1151 and its applicable amendments. For each individual vehicle configuration, the final fuel consumption and CO₂ values may be calculated based on the ordered optional equipment. The fuel consumption and CO₂ values of your vehicle may vary from those measured or calculated values, as driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, tyre pressure, load, number of passengers, etc.) have an influence on a car's fuel consumption and CO₂ emissions. For more information regarding the new WLTP test method, please visit: <https://www.toyota-europe.com/world-of-toyota/feel/environment/worldwide-harmonized-light>

TOYOTA PROFESSIONAL. YOUR BUSINESS PARTNER

Toyota know that business is never just business, which is why we have created a range of commercial vehicles you can trust. Choose from the new Proace City Electric, compact Proace City, Proace, Land Cruiser or the legendary Hilux and put your business in safe hands. Our dedicated Toyota Professional retailers are on hand to keep you moving. With highly trained technicians and a comprehensive range of services built around you, Toyota Professional offers you the back-up you need for total peace of mind.

PICK-UP AND DELIVERY OF YOUR VAN FOR REPAIRS
If your Toyota needs to be repaired, we will pick it up and return it, so that you can carry on with your business. Simple.

EXTENDED OPENING HOURS
We will take care of your van when you don't need your van to take care of your business, with opening hours that suit you.

ROAD SERVICE ASSISTANCE
It's reassuring to know that you are never alone: our roadside assistance includes mobile workshops and vehicle recovery to get you up and running again as quickly as possible.

EXPRESS SERVICE
Time is money, so we guarantee to complete scheduled services and maintenance in 60 minutes or less, with two technicians working on your vehicle at the same time.

FAST LANE FOR SPECIFIC SERVICES
Some things just can't wait, which is why we have created a fast lane servicing facility for urgent repairs. It really couldn't be quicker.

COURTESY VAN
Need a van when yours is with us? Our fleet of courtesy vans are here to keep you moving.

YOUR COMPLETE PEACE OF MIND WITH TOYOTA

QUALITY SERVICE

Your Toyota will need a Health & Safety check at least once every 2 years/30,000 km (whichever comes sooner)*.

LOW MAINTENANCE COSTS

All Toyota vehicles are designed and engineered to minimise your maintenance costs.

GENUINE PARTS

Providing the reassurance of Toyota quality, only genuine and approved components are used on your vehicle.

COMPREHENSIVE WARRANTY

Every new Toyota comes with a 3-year/100,000 km vehicle warranty[§], which covers any defect caused by a manufacturing or assembly fault under normal use[§].

ADDED SECURITY

Toyota's comprehensive security system withstands the insurance industry's rigorous 5-minute attack test.

TOYOTA EUROCARE

Enjoy peace of mind driving with complimentary Toyota Eurocare roadside assistance in 40 European countries for 3 years**.

GENUINE ACCESSORIES

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. All accessories are covered by a 3-year warranty when purchased together with the vehicle^{§§}.

For more information on peace of mind visit: www.toyota-europe.com/service-and-accessories

* Check with your retailer for specific Health & Safety checks. § Check with your retailer for specific warranty details.

§ 3-year/unlimited mileage paint warranty protection against defects & surface rust caused by a manufacturing fault. Every new Toyota is covered by a 6-year anti-corrosion warranty against perforation of body panels caused by a manufacturing fault in materials or workmanship. ** Belgium 5 years, Portugal & Denmark 1 year.

§§ Check with your retailer for specific warranty details.
